I don't think this budget issue needs our attention tomorrow. Julian and I have made a great deal of positive progress on the budget and are continuing to work on it. Meanwhile the purchase of trash receptacles (\$60,000), a Marketing & Promotions Program (\$150,000), and a parking program are on the MBIA Agenda for action tomorrow. I'll let you know if this changes but we are, in my opinion, good for now.

Please call me ASAP regarding tomorrow's meeting. For some reason, Miranda thinks she needs to attend even though she is out sick. I'll be here until 4:30.

Good news! I think Julian and I are working out the budget issues you've raised. I see light at the end of the tunnel. I don't think you need to use your day off to attend tomorrow's meeting.

Did Emelia say "ok" to the letter I sent?
